

Dear Parents & Members of the Green Springs School Family,

Our APPLE (Adults Participating in Positive Learning Experiences) recruitment campaign is now underway. Volunteers are needed to assist teachers in a variety of classroom tasks. We need people to tutor children, serve as library aides, and perform clerical tasks.

If you feel you would enjoy the challenge of volunteer work in any or all of these areas and can make a commitment of time, then Green Springs School invites you to join APPLE. Our demand for APPLES from teachers far exceeds the number of volunteers we have available. Our children need you, whether it be an hour a week, a morning, a day, your time will be an invaluable asset to our school program.

If you feel you can make a contribution of time to be of assistance, fill out the form on the back of this letter and return it to school.

Please tell friends and relatives about the search. We need adult volunteers of all ages. No experience is needed or required. Feel free to call Green Springs School if you have questions about the APPLE Volunteer Program. The school office telephone numbers are 639-2902 or 547-8107.

Laura Kagy
Principal

/tdp

APPLE INFORMATION

NAME: _____

ADDRESS: _____
(street) (city) (zip)

PHONE: _____

Circle Day(s) Available: M T W TH F
